## **Harima Releases “Declaration of Partnership Building”**

**HARIMA CHEMICALS GROUP, INC.**

Harima is pleased to announce endorsement of the objectives of the “Council for the Promotion of Partnership Building for the Future”, an initiative of the Japanese Government’s Cabinet Office and several other bodies. In this regard, the company has released the “**Declaration of Partnership Building**”, a document that reiterates our commitment to complying with desirable business practices in the supply chain, with a focus on enhancing added value and strengthening collaboration with our various business partners.

### **Harima Chemicals Group Declaration of Partnership Building**
